

laces of worship through judicial process and cannot make any law which takes away or abridges the vested religious right of devotees and cannot make any law with retrospective effect.”

The Act imposes a bar on institution of fresh suits or proceedings relating to disputed places of worship to further “tolerance for all faiths”.

lines as well the draft bill. Inputs and suggestions from the public and all stakeholders will be sought before finalising the changes, sources said.

Decriminalisation of minor offences is a major thrust area of the government as part of move to overhaul governance. Already, the government has taken the ordinance route to decriminalise minor offences under the Companies Act.
